Thanks for the follow up Rita. I don't think we will have anything new to share until the Feasibility Study reports are completed and we have a Proposed Plan ready to publish (later this spring).

I will be out of the office between now and March 20. Let's connect the week of March 20 by phone.  
Thanks.

All,

Many thanks for the trip to Des Moines and the discussion. I am following up and attaching the electronic copy of the appraisal prepared for the City.

I did reach out to the owner and plan to again next week. More to come on this front.

Were there additional materials that we committed to send to you or that we will be receiving? Sorry for not tracking fully!

We will grab something on the way. Might be a little late.

Any suggestions on parking?
